## **RED CROSS RESPONDING TO HONOLULU APARTMENT FIRE**

**HONOLULU, HI (February 26, 2010)** – Volunteers with the American Red Cross are on the scene of an apartment fire on Hauoli Street in Honolulu that has affected four units and displaced 18 people. Red Cross workers are meeting with affected residents to ensure their emergency needs, such as shelter, food, and clothing, are met. Caseworkers will continue to follow up with those affected in the coming weeks to provide referrals, guidance or additional assistance as needed to help with the recovery process.

The Red Cross encourages all families to make a disaster plan to include an evacuation plan with two different routes of escape, a communications plan to help families reconnect after disaster and a disaster supplies kit that is readily available to aid in a quick evacuation. Information on developing a family plan is available to the public at [www.redcross.org](http://www.redcross.org), or a brochure can be requested by calling 734-2101.

The Red Cross is a non-profit humanitarian organization which provides assistance for immediate emergency needs. All Red Cross assistance to disaster victims is free. The Red Cross is not a government agency; it depends on public contributions to help others. To help the Red Cross assist victims of this and other local disasters, send a contribution to:
