

Recertification Process:

The American Red Cross Hawaii State Chapter will mail to you an individualized pre-printed recertification form to the address on record three months prior to your expiration date.

Non-pre- printed forms will not be accepted. Please destroy all blank forms if you have them.

If you have not received your recertification form with-in the three month period before your expiration contact the nurse aide testing office at 739-8122 or 739-8124 to find out what may have happened.
